

NORTH ANDOVER TOWN-WIDE CLEAN-UP DAY

Sponsored by North Andover Sustainability Committee
and the Department of Public Works

Sunday, April 25 10 a.m.-2 p.m.

North Andover Middle School - 495 Main St.

There are many areas that can benefit from a little TLC after a long winter. Stop by the middle school between 10 a.m. and 2 p.m. to get your trash bags, gloves, and grabbers. Bring your family (kids are welcome and encouraged to join in on the fun!) and spread the word about this worthwhile event.

Offbeet Compost

Do you compost at home? Have you always wanted to? Offbeet Compost has curbside pickup and community drop-off composting options available for residents. During Town-Wide Clean-Up Day, Offbeet will be offering a discount on curbside composting (\$20/month for six months or \$17.50/month for 12 months). This is a wonderful way to help the planet by turning your food scraps into compost that can then be reused in your garden.

Textile Recycling

In conjunction with the clean-up activities, we will also be collecting textiles for Bay State Recycling, so keep us in mind as you start spring cleaning your closets! Residents will be able to drive through and donate textiles in a touchless manner to ensure that recommended COVID protocols are followed.

This year we celebrate the 375th anniversary of the founding of the Andovers. What better way to show our appreciation than to clean up our beloved town!
